TEACHERS DAY & PLANTATION

Teachers' Day is celebrated to honour the memory of India's first Vice President and to commemorate the importance of teachers in our lives. During his tenure as a President of India (from 1962-67), his students and friends requested him to celebrate his birthday. He replied, "Instead of celebrating my birthday, it would be my proud privilege if September 5 is observed as Teachers' Day." Since then, his birthday has been observed as Teachers' Day.

Pandit Jawaharlal Nehru once said on Radhakrishnan, "He has served his country in many capacities. But above all, he is a great teacher from whom all of us have learnt much and will continue to learn. It is India's peculiar privilege to have a great philosopher, a great educationist and a great humanist as her President."

September 5th of every year is celebrated as "Teacher's Day" to commemorate the birth anniversary of Dr. Sarvypalli Radha Krishnan garu. In Tirumala Engineering College, this day was celebrated very grandly. Our principal sir, management and chief guest also attended. Best Teachers award announced by the Principal.

Our Principal Dr.Y.V Narayana garu gave circular to nominate them by submitting their credentials to Head of the Department in the given format. All the faculty those who have completed their service in Tirumala Engineering College has submitted their applications for the nomination as "Best Faculty" Award which is to be announced and presented on Teacher's Day every year. TEC encourages the faculty in every aspect and recognizes their hard work and sincerity of its employees.

After a careful evaluation and discussion with the management, our principal sir announced the best faculty names from each department in the Teachers day celebrations. The selected candidates from each department were given a best faculty certificate and felicitated by the management on this occasion.

Teacher's day celebrations were held in the college seminar hall. Management and Chief Guest along with principal sir were invited by NSS Students to the seminar hall. All the Head of the departments came to seminar hall along with their department staff to the seminar hall by the invitation received from the students. Students have taken this opportunity to facilitate their faculty members on the occasion of Teacher's Day. Hon'ble Secretary Sri. R. Sathyanarayana garu welcomed all the participants from management and gave his valuable words. He requested all the staff members to encourage the students in different aspects to reach their goals. Our Principal Dr.Y.V.Narayana garu address the gathering with his inspirational speech. He
