The NSS unit of Tirumala Engineering College has organized a free dental check-up and awareness camp at Tirumala Engineering College in association with Siri Dental Hospital, Narasaraopet on 22.11.2021 and 23.11.2021.

A team of senior specialists, dental surgeons and paramedical staff carried out a comprehensive dental check-up on students of TEC. The camp was initiated with dental awareness talk, educating the students about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them. The students were highlighted about the eating patterns and food choices which cause tooth decay. The surgeons also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay. The students got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. On completion of the dental check-up, each student was given toothpaste, toothbrush, patient card, a report summary of the diagnosed problem and the recommended dental treatment plan. More than 260 members has utilized the opportunity in the dental camp. Principal Dr. Y.V.Narayana inaugurated the health camp and NSS Program Officers Mr.D.Hanumantha Rao and Dr.K.Kanthi Kumar has organized the camp with support of NSS student volunteers in the college.
