Title of the Event	Plantation National Pollution control day program
Event Start Date:	02-12-2022
Event End Date:	02-12-2022
Number of participants	50 student participants
Description	<p>Under Holistic Program initiative Tirumala Engineering College Unit 1 & 2 conducted Plantation National Pollution control day program. Principal Dr.Y.V.Narayana garu, NSS Programme Officers Mr.D.Hanumantha Rao and Dr.K.Kanthi Kumar, 50 NSS students participants involved in this program.</p> <p>The National Pollution Control Day or National Pollution Prevention Day is observed on December 2 every year in India. The objective of the day is to raise awareness about the different measures to control pollution and the prevention of industrial disasters.</p> <p>National Pollution Control Day is especially observed in the memory of people who died in the Bhopal gas tragedy of 1984.</p> <p>On this day, the spotlight is on different ways to lower pollution levels in the air, water, and soil, promote the use of renewable resources, and recycled goods, reduce the emission of harmful pollutants, and waste of natural resources.</p>
