## TEACHERS DAY

Teachers' Day is celebrated to honour the memory of India's first Vice President and to commemorate the importance of teachers in our lives. During his tenure as a President of India (from 1962-67), his students and friends requested him to celebrate his birthday. He replied, "Instead of celebrating my birthday, it would be my proud privilege if September 5 is observed as Teachers' Day." Since then, his birthday has been observed as Teachers' Day.

Pandit Jawaharlal Nehru once said on Radhakrishnan, "He has served his country in many capacities. But above all, he is a great teacher from whom all of us have learnt much and will continue to learn. It is India's peculiar privilege to have a great philosopher, a great educationist and a great humanist as her President."

5<sup>th</sup> of every year is celebrated as "Teacher's Day" to commemorate the birth anniversary of Dr. Sarvypalli Radha Krishnan garu. In Tirumala Engineering College, this day was celebrated very grandly. Our principal sir, management and chief guest also attended. Best Teachers award announced by the Principal.

Our Principal Dr.Y.V Narayana garu gave circular to nominate them by submitting their credentials to Head of the Department in the given format. All the faculty those who have completed their service in Tirumala Engineering College has submitted their applications for the nomination as "Best Faculty" Award which is to be announced and presented on Teacher's Day every year. TEC encourages the faculty in every aspect and recognizes their hard work and sincerity of its employees.

After a careful evaluation and discussion with the management, our principal sir announced the best faculty names from each department in the Teachers day celebrations. The selected candidates from each department were given a best faculty certificate and felicitated by the management on this occasion.

After completion of the celebrations, all the faculty along with the Management has participated in Plantation Program. As we understand the importance of plantation, TEC regularly conducts Plantation program.
