About the college

Tirumala Engineering College sponsored by Venkata Ramana Charitable Trust and founded in 2008 by Tirumala Milk Products Pvt. Ltd, is situated at Jonnalagadda near Narasaraopet, Guntur District. The institute, an affiliate of JNTU, Kakinada, has established itself as one of the premier institutions in the State, imparting technical education in the following five disciplines of Engineering.

• ECE • EEE • CSE • MECH • Civil

The Salient features are Personality Development courses throughout the 4 year span, and merit awards to students by the Management Trust to a tune of Rs. 40 lakh – are what distinguish the Institution from the others of its kind. Students are provided intensive training in employability skills necessary for campus recruitment from the first year itself.

Positioned on a sprawling site of 16 acres and tucked between parallelly running railway and state highway, and girdled by a vast green belt, the college rightly lays its claim to the best possible faculty, matchless equipment and enviable amenities. In short, “splendid” is the term that defines the college. A dynamic person with an integrated experience of 25 years in teaching and industry

Principal Message

To keep up the fast paced developments in engineering and technology. The College invests in state-of-art infrastructure and faculty resources. We at TEC constantly review and refocus our efforts in order to continually bring the best possible, relevant and robust education to our students. We prepare our students in acquiring comprehensive knowledge in interdisciplinary concepts of engineering and skills that allow them to be creative, entrepreneurial leaders.

The growth of the Indian economy lies on entrepreneurs. There is a need for developing

students from the starting of the education. In addition to the students exposed to engineering education, they should be equipped with the entrepreneurship skills through promotion schemes and programmes. Several entrepreneurship development programmes are being organized in the TEC to identify the potential skills of the students and tap their knowledge and mould them to actively start their entrepreneurship at young age.

About the EDC

The Entrepreneurship Development Cell(EDC) is convened by young Management and Technical scholar with spectacular achievements. The prime motive of the cell is to promote entrepreneurial spirit among students of engineering and to act as one of the biggest platform for academicians, New-age Entrepreneurs, Eminent business personalities & the students to gather, learn and share their entrepreneurial endeavors, experiences & aspirations.

The prime goal of EDC is to foster entrepreneurial spirit in the young minds so that it leads to generation of wealth and employment opportunities.

The EDC at TEC provides mentoring opportunity by its network of acquaintance allies; students seek benefit by the experience of these initiatives. The association includes professionals, entrepreneurs, investors and industry experts. The cell by means of its various activities aims to motivate young, budding Technology & Science graduates to take up entrepreneurship as a career & become job providers rather than job seekers.

WORKSHOP OVERVIEW

- 1) Creating your own website without coding skills or minimal coding skills.
- 2) How to get more visitors to your website? (Digital Marketing)
- 3) **How** to earn money online through website and other sources?

Along with these, we will show you the real earnings from Google and how Google pay you and

Advantages to the participants:

Dear Sir,

Subject : Appreciation for your informative lecture --- Reg

Tirumala Engineering College is very much grateful to you for accepting to conduct a workshop on 27.02.2016. The feedback from students indicated that the topic chosen i.e. Web Entrepreneurship 2016 was very informative. The feedback from our students is excellent and all the doubts in their minds regarding their career prospects were cleared after your workshop. I hope that your cooperation continues in future also.

Thanking you, Sir

Yours faithfully,

Dr. P. Narayana,
Principal.
