MEMORANDUM OF UNDERSTANDING / AGREEMENT

This memorandum of understanding is signed on the **12/07/2021** between the following institutions.

KRINYDI TECHNOLOGIES, HYDERABAD

AND

TIRUMALA ENGINEERING COLLEGE, NARASARAOPET

This memorandum of understanding is proposed in order to establish a teaching lab facility using IOT Applications Lab kits at Tirumala Engineering College, Narasaraopet. Through this memorandum of agreement. The two parties agree the following. A steering committee will setup to monitor the activities of MOU. The steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far as the implementation of the activities of MOU, continuation of the MOU and termination of the MOU are concerned.

1) AREAS OF COLLABORATION

- a) Technical Trainings**
- b) Internship**
- c) Technical Workshops**
- d) Joint research projects/proto types**
- e) R & D cell establishment**

2) Lab setup: The college will be utilizing their existing lab to setup IOT Applications lab. The college agrees to donate kits to college under JNTUK university course to setup IOT Applications lab. The college will be responsible for purchasing any other equipment's required to set up the lab for maintenance of the lab. **KRINYDI TECHNOLOGIES** agrees to set up the lab and provide the necessary initial training and learning materials to begin with utilization of lab.

TIRUMALA ENGINEERING COLLEGE

Jonnalagadda, NARASARAOPET - 522601, Guntur Dist. A.P.

An ISO 9001:2015 Certified Institution, Accredited by NAAC & NBA

(Approved by AICTE & Affiliated to Jawaharlal Nehru Technological University, Kakinada)

Sponsored by Venkata Ramana Charitable Trust, Narasaraopet.

☎ : 08647 - 218164. 9133300228, Fax : 08647-21985

Website : tmecnrt.org. E-mail ; tecnrt@gmail.com tecexamcell@gmail.com

College Code : NE

3) **Curriculum:** The college will explore ways to introduce a lab-based courses using IOT Applications lab kits in their engineering curriculum.

4) **Workshops:** If the college wishes to organize a national event in the area of IOT Applications lab platform. **KRINYDI TECHNOLOGIES, HYDERABAD** Will provide speakers.

Validity of MOU: The MOU is valid for period three years from the date of signing by the authorized signatory of each party

Chennai – 600039 ,the second party, and represented herein by its CEO - Mr.Charan Balaji (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

Charan Balaji
06/10/2021

The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - (i) Tirumala Engineering College
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Internships.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) BA Technology Pvt.Ltd. - , the Second Party is engaged in Business, Manufacturing, Skill Development, Internships, Faculty Exchange in the fields of - *name of trade and services under the industry concerned* - - and related fields

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HEE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Tirumala Engineering College and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of - Design & Development of Mechanical & Electrical Power Transmission , ACTIVITIES AND SERVICES .

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Faculty Development Programs: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 65% of the students. The Second Party will itself absorb at least 75 percentages of the trained students.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein

There is no financial commitment on the part of the Tirumala Engineering College, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3
INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4
VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period BA Technology Pvt.Ltd., the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or BA Technology Pvt.Ltd., the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

Both Parties may terminate this MOU upon 150 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Chennai.

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING ("M.O.U" / "Agreement") is made as on Friday, 18th June, 2021 ("Effective Date") by and between

Edify Educational Services Pvt Ltd, located at Hitech City, Hyderabad hereafter referred as "**EdifyPath**" which expression shall unless repugnant to the context or meaning thereof include its successors and assignees.

And

Tirumala Engineering College located at Jonnalagadda, Narasaraopeta, Andhra Pradesh hereafter referred as "**College**", which expression unless repugnant to the context or meaning thereof be deemed to include, legal representative, executors, administrators, successors and permitted assigns of the other PART.

Each individually a Party and collectively referred to as Parties.

WHEREAS, the EdifyPath and College have come together to collaborate for up-skilling the students of College under subscription of EdifyPath Certification Program and providing opportunities for Internship and jobs to excelling students

WHEREAS As of the date hereof both Parties as above have expressed a desire of entering into a Memorandum of Understanding (M.O.U) agreement to meet their respective objectives, which are set out here in below.

NOW, THEREFORE, it is hereby agreed by and between the undersigned Parties as follows:

BACKGROUND OF THE PARTIES

EdifyPath is a global online experiential e-learning platform that is focused on bridging the talent-gap across rising technology demands and helping learners acquire industry-specific skills that make them corporate-ready and ease their transition into the corporate world. EdifyPath offers a range of professional certified courses by various industry experts which are high in demand in the current day job markets. Its association and tie-ups with global industry leaders gives EdifyPath an edge in designing unique content that keeps our learners much ahead in the learning curve. EdifyPath through one of its unique offerings "EdifyTalks" provides unique power clips from industry leaders and senior executives that offer valuable insights for career prospects to its learning community.

College is an Education institute that intends to offer its students a globally relevant learning experience, by providing high quality, affordable and accessible education. College through the process of co-creation intends to elevate its students to serve the emerging talent needs of Industry. .

PURPOSE:

The purpose of the collaborative relationship contemplated by this M.O.U is for College to promote a talent pool of young students, while facilitating their upskilling using EdifyPath's Platform (as defined below) and enabling them acquire new and relevant competencies as per the current market requirements and for EdifyPath to nurture the young talent, making the students more employable and industry ready ("Purpose").

DELIVERABLES:

EdifyPath:

EdifyPath agrees to provide the following forms of support to the College on a good faith basis:

- a. Provide access to a world of knowledge across rising technology demands and helping its learners acquire industry specific skills
- b. Provide access to Edify Talks to enable learners gain insights from industry leaders and senior executives that will help in getting the bigger picture of various industries and the required competencies (domain, technical, behavioral and communication) to enter and excel in the career.
- c. EdifyPath to extend at a special promotional Price, which shall be applicable exclusively for the College.
- d. EdifyPath to provide services enabling its learners acquire new competencies in accordance with current market requirements anytime, anywhere upon subscription.
- e. EdifyPath to provide opportunities for Internship and placement support for excelling candidates upon successful completion of EdifyPath Certification Program(s).
- f. EdifyPath to conduct Technical workshops for the Students of College.
- g. EdifyPath to provide access to Khelo Application as part of the subscription as per the terms detailed below in this Agreement.

College Deliverables:

College by and through its principals and agents, agrees to provide opportunities to "EdifyPath" and its center of excellences, as appropriate, on a good faith basis,

- a. To promote EdifyPath and EdifyTalks amongst the student community, faculty and staff for skill- development.
- b. To support EdifyPath in to run running awareness campaigns in College premises.
- c. To render any additional support to achieve the deliverables mentioned in this Agreement.

Platform:

EdifyPath will provide College access to its online learning interface where College can access the courses,

content, marketing materials that are being offered including a limited period subscription to certain third party applications and materials as a value addition to the products being offered to College.

License Grant

Except for the license and access rights granted in this Agreement, nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights in or relating to, the Platform, marketing materials or third party materials, whether expressly, by implication, estoppel or otherwise. All title and ownership interest in and to the Platform, marketing materials and the third party materials are and will remain with EdifyPath and the respective rights holders in the third party materials.

Khelo College Clad Application:

As part of the offerings and through its collaboration with third parties and as a value addition, EdifyPath will provide a limited period fully paid up subscription and access to the Khelo College Clad Application ("Khelo") for the benefit of College for a period of 12 months from the Effective Date ("Initial Period"). Khelo will be a complimentary product offering provided pursuant to this Agreement that either works as an independent application or as an integrated application with the Platform. Khelo is being offered as part of the service offering which can provide for student engagement through knowledge sharing, event hosting, contests, promotional events and sharing of articles, contents among the students etc. Post the expiry of the initial period certain subscription fee might be applicable for continued utilization of Khelo as agreed upon between the College and the applicable third party owners.

Disclaimer of warranties:

Except for the express warranties provided in this Agreement, all applications, the Platform and materials are provided "as is" and EdifyPath hereby disclaims all warranties, whether express, implied, statutory or other, and EdifyPath specifically disclaims all implied warranties of merchantability, fitness for a particular purpose, and all warranties arising from course of dealing, usage or trade practice. Without limiting the foregoing, EdifyPath makes no warranty of any kind that the applications, the platform, materials, or any products or results of the use thereof, will meet College's or any other person's requirements, operate without interruption, achieve any intended result, be compatible or work with any software, system or other services except if and to the extent expressly set forth in the specifications, or be secure, accurate, complete, free of harmful code or error free. All third-party materials are provided "as is" and any representation or warranty of or concerning any third party materials is strictly between College and the third-party owner or distributor of the third-party materials.

Confidentiality:

College will hold in strict confidence the confidential information disclosed by EdifyPath in furtherance of this Agreement. College shall use the confidential information in accordance of the terms and solely for achieving the Purpose of this Agreement. College agrees not to disclose confidential information to any other parties without the prior written consent of EdifyPath. College will exercise at least the same degree of care it uses to protect its own confidential information.

The obligations of confidentiality do not apply to information (i) that becomes publicly available for no fault of the College; (ii) can be demonstrated by written evidence that it was in the possession of the receiving Party prior to receipt from EdifyPath; (iii) independently developed by the Parties without use of information disclosed by the other Party.

Limitation of liability

The Parties shall not be liable for any incidental, special, indirect or consequential damages arising out of or relating to this Agreement.

Intellectual Properties:

College hereby grants EdifyPath a royalty-free, non-exclusive, non-transferable, non-sub licensable, limited term license to use College's marks solely for the purpose of aligning the appearance of its products branding and only as specifically authorized by, and subject to any restrictions stated in, this Agreement. Such license shall be limited to the duration of this Agreement. During the Term of the Agreement, EdifyPath may include College in any of EdifyPath's customer lists and testimonials, solely for the purpose of identifying College as a customer of EdifyPath. EdifyPath acknowledge that the provisions of this paragraph do not convey any right, title or ownership interest in College's marks to EdifyPath Except for the license and access rights granted under this Agreement nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights of one Party to the other. College hereby unconditionally and irrevocably grants to EdifyPath an unrestricted license to use including all Intellectual Property Rights relating thereto.

Information Sharing:

In connection with this Agreement either Parties shall during the Term of this Agreement shall provide, accommodate and make available as required access to each other's information (students databases by College and any customer information shared by EdifyPath) and hereby agree to share such information with each other solely for the accomplishment of the Purpose of this Agreement. Either Parties acknowledge and agree not to use, decimate to any third party, share or use such information for any other purposes otherwise than as stated in this Agreement and hereby agree to maintain such information in strictest confidence.

Term of the Agreement

This Agreement shall commence from the Effective Date above and shall continue to be in force unless terminated by either Parties as per the terms of this Agreement ("Term").

Marketing Collaboration:

Either Parties to this Agreement agree to cooperate with each other in the marketing and promotion of the products and services of the Parties in furtherance of achieving the Purpose of this Agreement. Such cooperation shall include the reasonable provision, at the Party's expense, reasonable participation and assistance, as agreed to by the Parties, with trade shows, conferences, company sales conferences and education seminars etc.

Termination

The engagement contemplated between the Parties under this M.O.U. is at-will. Upon the discretion of the either of the Parties the collaborative relationship under this M.O.U. may be terminated with an advance written notice of 30 days to the other Party. Upon termination of the Agreement for any reason either Parties shall promptly return to the other Party all confidential information of the other Party. Except for the obligations which are logically ought to survive, all other rights and obligations of the Parties under this Agreement shall expire upon termination of this Agreement.

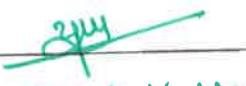

Entire Agreement

This M.O.U. is the final and complete understanding and agreement of the undersigned Parties. No other promises, agreements, nor warranties have been provided. This M.O.U. may only be amended by a written agreement as provided in this M.O.U.

Applicability

The terms and provisions in this MOU also apply to any subsequent Addendum(s) to this Agreement.

IN WITNESS WHEREOF, the undersigned Parties hereto have executed this MOU on the day Monday, June 21, 2021

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 25th DAY of — September — Two Thousand and Twenty One (25-09-2021), by and between

Tirumala Engineering College, Narasaraopeta -Guntur-Andhra Pradesh, the First Party represented herein by its Name of Competent Authority / Representative (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Hyundai Motor India limited, Sriperumbudur, Chennai – 602105, the second party, and represented herein by its Research Divisional Head, Mr. Palani Velmurugan, Chennai, (hereinafter referred to as 'Second Party', company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

or the industry, the Second Party.

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU.

The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2

SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of - - Design & Development of Mechanical & Electrical Power Transmission , Activities And Services .

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Faculty Development Programs: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 65% of the students. The Second Party will itself absorb at least 75 percentages of the trained students.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein There is no financial commitment on the part of the Tirumala Engineering College, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Hyundai Motor India limited, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or Hyundai Motor India limited, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

Both Parties may terminate this MOU upon 150 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

**Tirumala Engineering College
First Party**

**Hyundai Motor India limited
Second Party**

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Chennai.

No 107, Chenna Nayakana Palya, Near Subramanya Temple, Nagasandra Post, Bangalore - 560073 (hereafter referred to as “**M-Core Technologies Pvt. Ltd**”, which expression shall unless repugnant to the context or meaning thereof, include its successors, legal representative and permitted assignees) on SECOND PART

AND Whereas, “**Tirumala Engineering College**” is among the noteworthy academic institutes of Jonnalagadda, Narasaraopet offering UG program in Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering.

AND Whereas, “**M-Core Technologies Pvt. Ltd**”, is a registered company, engaged in Student Internship, Student Trainings, Expert Lectures, Industrial Visits, Engineering Consultancy AND WHERE both **Tirumala Engineering College**, Narasaraopet and **M-Core Technologies Pvt. Ltd**, are desirous of associating with each other to expertise students of **Tirumala Engineering College** on Student Internship, Student Trainings, Expert Lectures, Industrial Visits, Engineering Consultancy will also help in conducting Expert Lectures,

Seminars, Workshops, Internship, Industrial Visits, Consultancy as an addition to **Tirumala Engineering College** curriculum in co-ordination with Tirumala Engineering College, Faculties & HoD.

Now therefore, in consideration of the premises and the actual covenants herein contained, it is agreed by both **Tirumala Engineering College** and **M-Core Technologies Pvt. Ltd.** as under.

1.0 Definitions and Interpretation

“MOU” shall mean this Memorandum of Understanding executed between **Tirumala Engineering College** and **M-Core Technologies Pvt. Ltd.** on 02-07-2021.

“Party” or “Parties” shall mean **Tirumala Engineering College** and **M-Core Technologies Pvt. Ltd.** individually and collectively as the context may require;

The headings/subheadings/titles sub-titles are only for the sake of convenience and shall not be interpreted to restrict or otherwise affect the meaning or import of the clauses, which shall be interpreted solely in light of the contents thereof.

Use of words in the singular includes the plural and vice versa and the masculine gender includes the feminine where applicable.

Where a word or phrase is defined, other parts of speech and grammatical forms of that word or phrase shall have the corresponding meanings. Any reference to ‘Writing’ includes printing, typing, lithography and other means of reproducing words in visible form.

2.0 Focus Area

Student internships

Technical Trainings to Student / Lecturers

Expert Lectures

Industrial Visits

Engineering Consultancy

Cost to all such Activities, Training, Industrial Lectures & Site visits to be borne by TEC and/or the Students.

3.0 Responsibility Structure

Tirumala Engineering College, Narasaraopet shall provide the infrastructure of systems, LCD projector etc. for the Expert Lectures. Also the labs and other research equipment available in the lab.

M-Core Technologies Pvt. Ltd, shall be responsible for arrangements & co- ordination for supply of Industry Experts, Design training program, Process of necessary Appointments with Industries for Industry Internship Program, Expert Lectures as well as Visits in co-ordination with staff & HoDs of the Department of **Tirumala Engineering College**

Tirumala Engineering College shall create awareness amongst its students for promotion of the activity especially Internship Program.

4.0 Certification

Upon completion of the Internship, **M-Core Technologies Pvt. Ltd & Tirumala Engineering College** will jointly conduct technical assessment for students. The students qualifying the technical assessment shall be certified with completion certificate.

5.0 Relationship

This MOU relates solely to the intention of the parties, wherein **Tirumala Engineering College** and **M-Core Technologies Pvt. Ltd** jointly work together and shall not extend to any other activity or create a partnership between the Parties hereto and under any law of any country. The parties agree that it is not their intention to share any loss or profit between them in their respective fields, except to the extent expressly provided herein.

6.0 Authority to Bind

No party shall act on behalf of the other party to contractually bind the other Party under the terms of this MOU having first obtained the other Party's written agreement.

7.0 Confidential and Proprietary Information

“Confidential Information” shall mean all information, including the material and licenses or other information if any so given to **Tirumala Engineering College**, written or verbal, identified as confidential or of a nature that a reasonable person would understand as being considered confidential by **M-Core Technologies Pvt. Ltd** and disclosed by **M-Core Technologies Pvt. Ltd** to **Tirumala Engineering College** or its faculty which is related to **M-Core Technologies Pvt. Ltd** information such as course material, training data, guidance notes, procedures, methodology, etc.

Tirumala Engineering College shall hold in trust and confidence for **M-Core Technologies Pvt. Ltd** all confidential information provided by **M-Core Technologies Pvt. Ltd** and **Tirumala Engineering College** shall not disclose to any person or use such information for any purpose other than defined in this MOU.

Tirumala Engineering College shall not make any copies of the confidential information other than are required for the work involved and with prior and mutual consent from **M-Core Technologies Pvt. Ltd** and shall return/destroy all such information at the termination of the contract. By disclosing this information to **Tirumala Engineering College**, **M-Core Technologies Pvt. Ltd** does not grant any expressed, implied or other license or right to **Tirumala Engineering College** to propagate the information. **M-Core Technologies Pvt. Ltd** hereby grants **Tirumala Engineering College** an academic, non-exclusive, non-transferable right and license solely for the purpose of providing practical training to the **Tirumala Engineering College** students.

Tirumala Engineering College shall not disclose **M-Core Technologies Pvt. Ltd.** confidential information without first obtaining written consent from **M-Core Technologies Pvt. Ltd.**

Tirumala Engineering College shall share the **M-Core Technologies Pvt. Ltd.**'s confidential information only to **Tirumala Engineering College** employees having a legitimate reason to know the same and shall inform each employee receiving the confidential information of the confidential nature of the same and **Tirumala Engineering College**

obligations hereunder.

Tirumala Engineering College shall secure documents, items of work in progress and work products that embody confidential information in locked files or areas providing restricted access to prevent its unauthorized disclosure. **Tirumala Engineering College** shall maintain adequate procedures to prevent loss of any confidential information or confidential documents provided to it by **M-Core Technologies Pvt. Ltd**. In the event of any loss, **Tirumala Engineering College** shall notify **M-Core Technologies Pvt. Ltd** immediately.

8.0 Termination

Two (2) years from the date of signing of MOU, unless renewed on a mutually agreed terms and condition for a further period. During the initial term or any renewal term, either party may terminate this MOU, after mutually agreed days, with prior written notice to the other party.

9.0 Assignment

This MOU shall not be assigned or otherwise transferred by any Party, in whole or in part, without the express written consent of the Other Party.

10.0 Consequential Damages

Other than explicitly mentioned in this MOU, either Party shall not under any circumstances or at any time be liable to the other under or in connection with the MOU for any special or any direct or indirect loss or damage or for any consequential loss or damage, whether direct or indirect, including but without limiting the generality of the foregoing, loss of profits, loss of production, or loss of opportunities.

11.0 Severability

If any provision of this MOU or the application thereof to any person, entity or circumstance shall be invalid or unenforceable to any extent, the remainder of this MOU shall not be affected thereby and the application of such provision shall be enforced to the greatest extent permitted by law.

12.0 Arbitration

All disputes, differences or claims arising out of or in relation with this MOU not limited but inclusive of as regards to rights, liabilities, damages, claims, breach or interpretation of this MOU between the Parties shall be referred to arbitration.

Any party shall give a written notice to other party of existing such dispute, difference or claim. On receipt of such notice within 15 days, the Head of Institution of **Tirumala Engineering College** and Partner, **M-Core Technologies Pvt. Ltd** or any other persons so nominated by the respective Parties, shall meet together and try to resolve such dispute, difference or claim amicably. If such amicable solution is not arrived within one month, then the matter shall be referred to Arbitration.

The place of arbitration shall be Narasaraopet. The arbitration proceedings shall be conducted in English as per the rules of The Arbitration and Conciliation Act 1996 by three (3) arbitrators appointed in accordance with the said Rules. The Arbitration Decision shall be final and binding.

13.0 Governing Law

The agreement shall be governed by Law of the Land.

14.0 Notices

Any notice and other communications provided for in the Agreement shall be in writing in English and shall be first transmitted by facsimile transmission and/or by internationally recognized courier service, in the manner as elected by the Party giving such notice:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered into on this 27-09-2021 by and between TIRUMALA ENGINEERING COLLEGE and PALO ALTO NETWORKS. Inc

Whereas, Tirumala Engineering College, Narasaraopeta, 522601 (TEC) at its various engineering and sciences departments is charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research and consultancy.

AND

WHEREAS, Palo Alto Networks is engaged in manufacturing of Robotic Process Automation, software robots, research, design and development and consultancy in the field of The Center of Excellence, Placement of Trained, Guest Lectures and related fields.

WHEREAS, both TEC and Palo Alto Networks, now

- Recognizing the importance of research and development in the areas RPA Center of Excellence (CoE), as well as imparting industrial training to the engineering students.
- Desiring to club their efforts by pooling their expertise and resources.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both TEC and Palo Alto Networks hereby acknowledge, TEC and Palo Alto Networks hereby agree to sign a memorandum of understanding (MOU).

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between TEC and Palo Alto Networks for enhancing, within the country, the availability of highly qualified manpower in the areas of Palo Alto Networks Academy enables companies to accelerate adoption of Robotic Process Automation by upskilling their professionals. We aim to reinvent the way people work by democratizing RPA learning and helping deliver 'a robot for every person'.

Develop job-specific skills

without any prejudice to prevailing rules and regulations in TEC and Palo Alto Networks without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to TEC and Palo Alto Networks. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both TEC and Palo Alto Networks shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of TEC students at Palo Alto Networks;
- d) Palo Alto Networks would accommodate B.Tech. students who have completed the 6th semester of their programme in such a number that Palo Alto Networks deems convenient to it for the purpose of imparting industrial training.
- e) Palo Alto Networks may depute its personnel as visiting faculty at TEC to teach any of the regular Course or specialized topics.
- f) Palo Alto Networks personnel, as well as research scholars, may also be allowed to enroll for their Ph.D./M.Tech. (Research) at TEC, subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of TEC. Further, Palo Alto Networks may request to design and teach a Course or Courses which it deems fit to enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.
- g) Palo Alto Networks may seek assistance/guidance of TEC faculty member/s in product/process modification, modernization, trouble shooting, etc.
- h) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- i) Palo Alto Networks may showcase its business activities at the seminar/workshop/conference, etc. at TEC.
- j) Palo Alto Networks may avail library, Internet, computational facilities at TEC.
- k) Post-graduate student will be allotted a Research supervisor from TEC faculty members. A Research Scientist/Engineer at Palo Alto Networks may be appointed a Co- research guide as per the rules of the respective institute for a student Registered for Ph.D/ M.Tech (Regular or Research) degree at TEC. The student maybe encouraged to take up the project such that Palo Alto Networks desirably benefits from its outcomes.
- l) The students will carry out part of their Ph.D. research work or M.Tech./B.Tech. project at TEC and Palo Alto Networks depending on the nature of the work as per rules of the respective institute depending on facilities and requirements.
- m) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.
- n) Both TEC and Palo Alto Networks will be free to independently carry out follow

- o) If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such as Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc by the parties under the law will be decided on case to case basis after mutual consultation.
- p) Research supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.
- q) Neither of the supervisors will publish the work carried out under this MoU without knowledge of the other.
- r) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III : SHARING OF FACILITIES

- a) TEC and Palo Alto Networks shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- b) TEC and Palo Alto Networks shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section.
- c) TEC and Palo Alto Networks shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between TEC and Palo Alto Networks shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
- b) Financial arrangements for each specific collaboration will be decided on a case to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V : EFFECTIVE DATE AND DURATION OF MOU

This MOU shall be effective from the date of its approval by competent authorities at both ends.

- a) The duration of the MOU shall be for a period of 1 year from the effective date.
- b) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.
- c) Any clause or article of the MOU may be modified or amended by mutual agreement of Palo Alto Networks and TEC.

ARTICLE-VI : IPR

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MOU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

During the tenure of the MOU both TEC and Palo Alto Networks will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU.

Both TEC and Palo Alto Networks shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS.

Further both TEC and Palo Alto Networks shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information shall not include any data or information which:

- (a) is or becomes publicly available through no fault of the receiving party,
- (b) is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- (c) is independently developed by the receiving party without reference to the confidential information of the disclosing party
- (d) is rightfully obtained by the receiving party from a third party or is in the public domain
- (e) is disclosed with the written consent of the party whose information it is, or
- (f) is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

ARTICLE-VIII : AMENDMENTS

Any amendment and/or addenda to the AGREEMENT shall be in writing and signed by the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

ARTICLE-IX : RESOLUTION OF DISPUTES

- a) This agreement shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the courts at Narasaraopeta.
- b) The dispute or difference whatsoever arises between PARTIES in relation to or in connection with this AGREEMENT both the parties shall first try to resolve the dispute/difference amicably between themselves, failing which the matter shall be referred to and settled through arbitration. The arbitration proceedings shall be held in accordance with the provision of Indian Arbitration and Reconciliation ACT, 1996. The venue of arbitration shall be New Delhi and Language of arbitration shall be English.

ARTICLE-X: MISCELLANEOUS

- a) The headings and sub-headings are inserted for convenience only and shall not affect the construction of this Agreement.
- b) Both TEC and Palo Alto Networks shall not, during the term of this Agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party without the prior consent in writing of that other party.

remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.

- d) After this Agreement has been signed, all preceding understandings/negotiations and correspondence pertaining to it shall become null and void.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 17th DAY of — October — Two Thousand and Twenty One (17-10-2021), by and between

Tirumala Engineering College, Narasaraopeta -Guntur-Andhra Pradesh, the First Party represented herein by its Name of Competent Authority / Representative (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Smart Bridge Educational Services Private Limited., Jubilee Hills, Hyderabad ,the second party, and represented herein by its Research Divisional Head, **Mr.Suresh Kumar Reddy -R&D Cell** , (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

TIRUMALA ENGINEERING COLLEGE and SMARTBRIDGE EDUCATIONAL SERVICES PVT.LTD agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and Internships & research Development for students at the partner institutions;
- Faculty and student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering (see appendix 1),

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

CLAUSE 1

SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of - - Design & Development of Mechanical & Electrical Power Transmission , ACTIVITIES AND SERVICES .

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Faculty Development Programs: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 65% of the students. The Second Party will itself absorb at least 75 percentages of the trained students.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein. There is no financial commitment on the part of the **Tirumala Engineering College**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 2

INTELLECTUAL PROPERTY

2.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 3

VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Smart Bridge Educational Services Private Limited, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or Smart Bridge Educational Services Private Limited, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU. Both Parties may terminate this MOU upon 250 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 4
RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Hyderabad.
