

Facilities for DIVYANGAN

We strongly believe that a person who can't make use of the available resources is a real handicap but not the one with the physical disability. Despite the disability, they will be endowed with extraordinary talents, in general. To support them, our institution provided the required amenities like **wheel chair, Ramp** and **lift** are available. Special washroom facility besides a maid who looks after the needs of the student has been arranged.

Medical facilities

To provide the required medical care, our institution, established a health care center, which consists of the basic medical equipment like -----To treat the needy 2 famous doctors named Dr.P.N.Dattu and Dr.Shruti are rendering their valuable services to staff and students.
